

ACTIVE CLUB GRANTS – Guide to Ineligible Items

The below list is to be used as a guide and not a comprehensive list of items.

VicHealth recognises that some of these items may be required specifically required to run a social or modified sport program (e.g. training equipment required for Cardio Tennis). If this is the case, please outline how the items relate to the program you intend to run through your application.

Please refer to the program guidelines and program outcomes areas for further information.

If in doubt please contact Active Club Grants on (03) 9667 1308 or email activeclub@vichealth.vic.gov.au.

To determine whether an item is eligible please use the find function “Ctrl F” and type your requested item in the navigation search.
