

Professional and Third-Party Grant Writers Agreement

Purpose of Agreement

If a club has elected to use the services of a Professional or a Third-Party Grant writer (writer). VicHealth needs to ensure the club has appropriately authorised the writer to apply on their behalf.

This is an important action, as the club will be responsible to manage the outcome of the grant in accordance to the Active Club Grant [Program Guidelines](#) and [Terms and Conditions](#).

This agreement will permit a writer to apply on behalf of a club and satisfies the acknowledgement criteria for VicHealth.

State Sporting Associations and Regional Sports Assemblies are exempted and are not required to complete this form.

The check list below will assist both the club and the writer to:

1. step through the application process;
2. agree on the information submitted in an application;
3. understand the grant terms and conditions; and
4. understand other requirements that are important when completing the application.

Clubs are reminded that they are responsible for ensuring all information in a submitted application is correct and true.

1. Read and agree to the Active Club Grant Program Guidelines
2. Read and agree to the Active Club Grant Terms and Conditions
3. Read and approved the content to be submitted
