Steps to join Be Collective as a volunteer

So, you have decided to step up to the plate and become a volunteer huh? Well good for you! The good news is the hard part is over, joining Be Collective is as easy as making your way through the following 10 steps! You're on your way to making a difference!

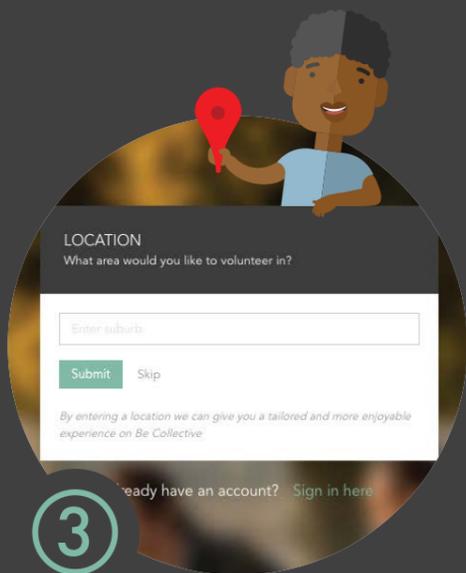

1

Visit becollective.com and click the 'Join' button on the top right hand side.

2

Enter your email address and nominate a password.

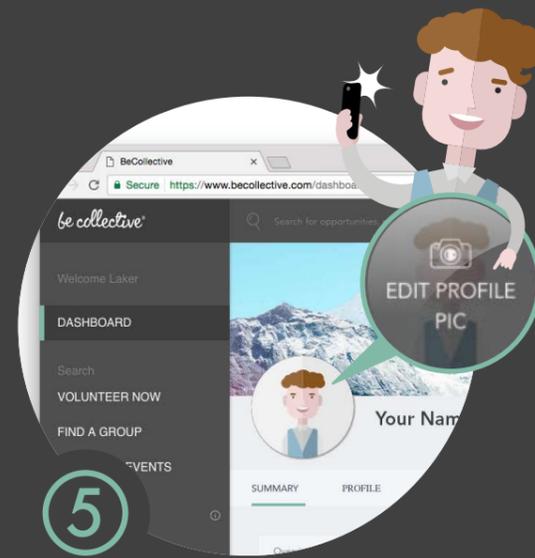

3

You'll be asked to nominate a location. Enter a location that you'd like to volunteer near. This might be your place of work, study or home.

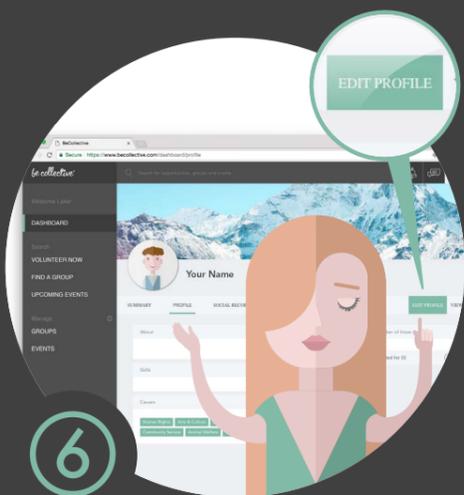

4

Nominate which causes interest you, choose as many as you like. Then click the 'Take me to my dashboard' button.

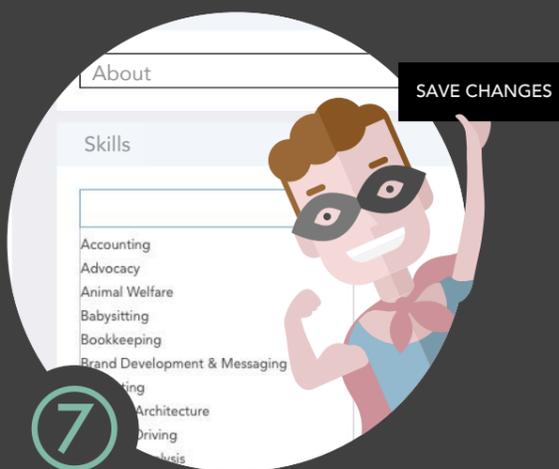

5

Click on the image next to your name to upload a profile picture and put a face to your name!

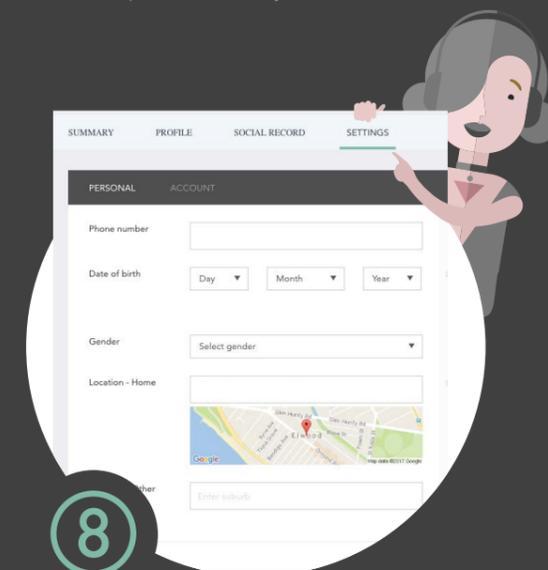

6

You will then need to populate your profile page. Click the 'Profile' button and then 'Edit profile' on the top right hand side. The more you can tell as about you the better experience Be Collective offers you.

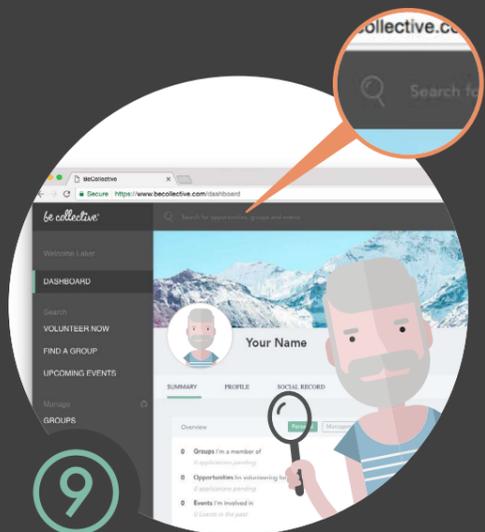

7

Enter a quick description about yourself and why you're on Be Collective. You can also use this section to list your skills from the drop down box and click the 'Save changes' box in the top right hand corner.

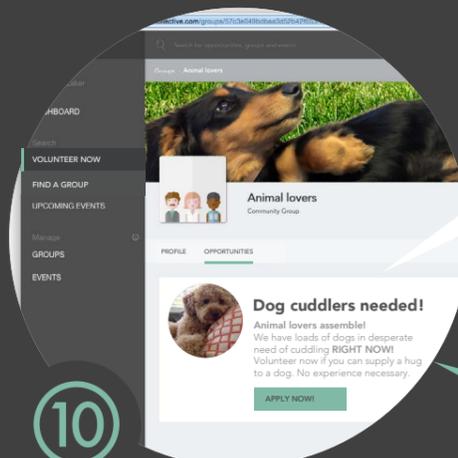

8

Click the 'Settings' button and fill in the fields. This is the information a volunteer manager will receive when you apply for a volunteer opportunity. It isn't publicly available or viewable on your profile.

9

Search for a group you would like to join, (or are already a member of) in the top search bar and it should appear in the search results, follow the link and click 'Join' in the top right hand corner.

10

You can browse through the 'Opportunities' the group has coming up by clicking on the 'opportunities button' on the group page.
