What's on?

- **Club Open Days** - as the name sounds - the club opens its doors and welcomes all to the club. Lots of tennis programs organized throughout the session.
- **Hot Shots**  - The introduction program into tennis suitable for five to 12 year olds. Uses smaller racquets, nets, courts and softer balls to make it enjoyable for all.
- **Cardio Tennis**  - Bringing together a variety of cardio workouts and a range of fun tennis drills, Cardio Tennis is all about quick fitness and great tunes. No tennis skills necessary. Suitable for anyone over the age of 12.
- **Fast4 Tennis**  - the fun and fast way to have a hit with friends. It's tennis with a twist! A modified version of the game to speed things up - great for those who have played the game before. Suitable for anyone over the age of 12.
- **Community Court use** - book a court to play with friends (BYO racquets and balls).
