

Ever since my granddaughter joined e.motion21 she has more dance skills and has become more confident with herself thanks to the fantastic instructors and friendly staff in Geelong. I'esha loves it that much she always asking for dancing every night. Keep up the great work, as these children deserve it. Robert (Grandparent, Geelong teenager)

Volunteering for e.motion21 has been one of the best experiences of my life. Being a volunteer enables you to be in the presence of these beautiful children and young adults and to experience the joy that dancing brings to them...in just 6 short months I have witnessed incredible growth in the dancers as well and I like to think I have had some small part to play in that" Susanne (volunteer)

I like doing dancing and it is really fun. I find dancing really easy. I like exercising. Dancing and being part of e.motion21 makes me really happy and I have made many new friends.

Just wanted to say that we received the (annual concert) DVD yesterday and have already watched it three times!!! It is amazing and showcases our beautiful children so well. Thank you again for your incredible input. We cannot imagine life without e.motion21. The benefits to Ally and our family have been immeasurable.  
Kathy (parent, Geelong teenager)

Absolutely liberating for our whole family. Our daughter has found acceptance, fun and fitness opportunities with her peers. Our son has opportunities to meet with other siblings and we (parents) have gained the opportunity to develop supportive friendships with other parents. Win, win, win!
